Phyllis, Dave,

I acknowledge receipt for Westinghouse of RAI-SRP15.5.1-SRSB-02 as shown below.

Thanks,

Paul Loza

### **RAI-SRP15.5.1-SRSB-02:**

In Revision 17 DCD Sections 15.5.1.2 and 15.5.2.2, Westinghouse proposes to delete the following sentence from the DCD: "No single active failure in any of these systems or equipment adversely affects the consequences of the accident." The staff has reviewed the Revision 17 Change Matrix which supplemented the DCD and has not located a justification or explanation for the proposed deletion. Provide an explanation or justification for why the above sentence is being proposed to be deleted from both Sections 15.5.1.2 and 15.5.2.2. Also state if the proposed change effected the analysis input assumptions or results in any way.
