Subject: May 7th STP meeting

Hello Sirs,

I'm writing to let you know that I am planning on attending the meeting tomorrow on STP Instrumentation and Controls at the Church Street Building.

There is a note on the memo saying that the last part of the meeting is closed to the public. Does that mean only the session from 3-4pm is closed to the public?

Please let me know if any of the details of the meeting change, especially the location.

Thanks,
Eliza
