Stanley,

Can you please place this into ADAMS as a package. The first part of the package should be the email and the second part should be the attachments. I've attached a 665P.

Thanks,
Michelle

Doug and Michelle: Attached is EPA's "3b" letter.
Cecelia: As we discussed this morning, the letter is forwarded to NRC as the Corps' PN for this project states that comments received in response to the public notice will be forwarded to the NRC.
