Lynchburg, VA 24505-0785

SUBJECT: CALENDAR YEAR 2009 INSPECTION SCHEDULE

Dear Mr. Yates:

The enclosed inspection plan details the inspections, less those related to physical protection, scheduled through December 31, 2009. The inspection plan is provided to minimize the resource impact on your staff and to allow for the resolution of any scheduling conflicts and personnel availability issues well in advance of inspector arrival onsite.

Please note that inspections related to physical protection are not included in this schedule. In addition, routine resident inspections are not listed due to their ongoing and continuous nature

If circumstances arise which cause us to change the dates of the planned inspections, we will contact you to discuss the change as early as possible. Please contact me at (404) 562-4716 with any questions you may have regarding this letter or the inspection plan.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

/RA/ M. Thomas for

Alphonsa Gooden, Senior Fuel Facility Inspector
Fuel Facility Inspection Branch 1
Division of Fuel Facility Inspection
