Subject: E-mail address confirmation and SSD changes.

(NOTE: This will be used as the Documents Title in ADAMS)

6/11/09 14:00 I spoke with Mr. Stevens and determined that the e-mail address had changed. The company's e-mail address is now I2S.com. I informed him that I would update our records for the change.

6/12/2009 09:30 Preparing the license for mail-out, I noted that the sealed sources and devices still referred to Integrated Industrial Systems, Inc. or IIS, Inc. I spoke with Mr. Stevens and asked him to check with its corporate office to determine if an amendment request was sent to NRC Headquarters requesting that the Sealed Source and Device Certificates be amended to reflect the name change of the company. Mr. Stevens stated that he would do so. I informed Mr. Stevens that once the licensee receives an amended copy of the SS&D Certificates that the licenses would need to be amended for the change in the SS&D.
