MEMORANDUM AND ORDER

(Protective Order Governing the Disclosure of Protected Information)

Upon Consideration of the Joint Motion for Entry of a Protective Order of the Nuclear Regulatory Commission Staff (NRC Staff), the SEED Coalition through Ms. Karen Hadden and Ms. Eliza Brown, represented by Mr. Robert Eye with the law firm of Kauffman and Eye (Petitioners), and Luminant Generation Co. LLC (Applicants), represented by Mr. Steven Frantz of Morgan, Lewis & Bockius, LLP, we GRANT the motion and issue this protective order, the terms of which are as follows:

1. This protective order shall govern the use of all protected information produced by, or on behalf of, the Applicants and/or NRC Staff. This protective order shall remain in effect until specifically terminated by the Atomic Safety and Licensing Board or the Commission.

2. Ms. Karen Hadden, Ms. Eliza Brown, and their designated legal counsel, Mr. Robert Eye, shall each execute and file the attached Affidavit of Non-Disclosure in order to gain access to the information in the correspondence from Luminant Generation Company LLC to the NRC Staff dated May 22, 2009 regarding the requirements under 10 C.F.R. 52.80(d) and

10 C.F.R. 50.54(hh)(2). Any Petitioner that does not execute and file the Affidavit of Non-Disclosure, will not receive access to the protected information.

3. Other than filing deadlines set forth in this Order, the terms of this Protective Order do not apply to the NRC Staff, contractors, or NRC legal counsel. The NRC Staff's use of protected information is governed by NRC regulations and policies as well as other applicable law.

4. Protected information shall be treated as confidential by each Petitioner. Protected information shall not be used except as necessary for the conduct of a proceeding on the Application. Each Petitioner shall take reasonable precautions to ensure that protected information is not distributed to unauthorized persons.

5. The Petitioners shall maintain all protected information in a secure location, and shall not provide the protected information to anyone not authorized to receive it pursuant to this Order.

6. As legal counsel for the Petitioners, Mr. Eye may allow legal staff under his supervision access to the protected information as necessary in the course of his representation. Mr. Eye shall be responsible for ensuring that his staff complies with the terms of the Order and the Affidavit of Non-Disclosure and will be subject to sanctions for any violations by his staff.

7. The Petitioners shall maintain a log of all copies or materials that contain the protected information within their possession or control. Upon the termination of a proceeding on the Application or upon order by the Atomic Safety and Licensing Board or Commission, the Petitioners shall return all materials containing protected information to the Applicant or destroy

the materials, except that copies of filings, official transcripts, exhibits, and notes may be redacted so that only those portions containing protected information are destroyed. Each Petitioner shall execute an affidavit stating that the protected information within their possession or control has been returned or destroyed, and shall serve a copy of the executed affidavit upon the Applicants and NRC Staff within 15 days.

8. Any Petitioner who has reason to suspect that protected information may have been lost or misplaced, or that protected information has otherwise become available to unauthorized persons shall promptly notify the Licensing Board of those suspicions and the reason for them.

9. The Board may alter or amend this Protective Order and resolve disputes. The Petitioners, Applicants, or NRC Staff may seek amendments to this Order or the Non-Disclosure Affidavits by filing a motion for amendment. A Petitioner may have an additional or substitute person(s) necessary for the preparation of her or his case be authorized to receive protected information either by written agreement with the Applicants and the NRC Staff or by filing a motion for amendment. Any additional or substitute person shall be subject to the terms of this Order and must execute and file a Non-Disclosure Affidavit in order to be authorized to receive protected information.

10. Pleadings or other documents for filing that contain information protected pursuant to this Order shall be filed electronically using the E-Filing system. The person filing the document must properly choose the option to prevent the document from being filed in the public docket. Only members of the ASLB, NRC Staff counsel, Applicants' counsel, and authorized persons should be "checked" as recipients on the electronic service list. The Petitioners shall take the necessary actions to obtain a digital certificate and file documents in

this proceeding using the E-Filing system. If any party to a proceeding on this Application intends to submit an exhibit, testimony, or pleading containing protected information without using the E-Filing system, the party shall notify the Licensing Board prior to such filing. Nothing in this Order shall preclude a party to a proceeding on the Application from objecting to the use of an exhibit, testimony, or a pleading because it contains protected information. The Board may issue additional orders concerning the use of protected information at a hearing.

11. Nothing in this Order shall preclude any person from seeking public disclosure of protected information in accordance with NRC regulations. Nothing in this Order shall preclude any person from seeking through discovery in any other administrative or judicial proceeding, information protected by this Order.

12. Any violation of this Protective Order and of any Non-Disclosure affidavit executed hereunder may result in the imposition of sanctions as the Licensing Board or the Commission may deem to be appropriate. Nothing in this Order restricts or waives the Applicants' or NRC's rights to pursue any other legal or equitable remedies that may be available in the event of actual or anticipated disclosure of protected information.

13. The Petitioners must file executed Non-Disclosure Affidavits within 3 days. The Applicants shall provide a copy of the protected information contained in the May 22, 2009 correspondence within 5 days of receipt of the executed Non-Disclosure Affidavits.

15. The NRC Staff and the Applicants may file Answers to the proposed SUNSI contentions within 25 days after receipt of the proposed contentions.

16. The Petitioners may file a Reply to any Answers within 7 days after receipt of the Answer.

It is so ORDERED.
