Please send it to Griff Holmes at the address on the letterhead. If you are sending it via overnight mail (which we'd prefer) please use: 4350 Northern Pike, Monroeville, PA 15146. Our original letter to Ken Kline was sent via overnight FedEx on 6/9/09. Please let me know when you have an estimate of when we can expect to receive the Letters of Credit.

Thank you,

Mr. Golla,

I will need to do an acceptance review, ensure the documents get into our records, ensure Ken Kline received the documents. Since the original documents were sent to headquarters, I can't give you a good estimate because I do not know when they will get it into their records. If all is correct then I will have everything complete on my end on Monday with mailout expected on Tuesday as long as I can get verification from Ken Kline that he has received this letter and that it is in our records.

Who should the returned letter of credits be sent? (Name, title, and address)

Mr. Lawyer:

In response to your voicemail message to me today. Attached is a PDF copy of the STA package you were asking about. It was mailed out earlier this week. The original when to Ken Kline at Headquarters. You should be receiving a copy in the mail (identical to the attachment to this email).

Please reply to this email and let us know how soon we can expect to receive the canceled Letters of credit which have been replaced by new ones with PADEP.

Thank you for your phone call following up on this.

Sincerely,

Scott Golla
