Corey, here's the e-mail to cite as the reference for no TOY restrictions for MBTA species per my last e-mail.

Tom, please ensure that the e-mail below from Bob Zepp (including Kathy's question below that) is put into ADAMS as this will be cited in the EIS.

Thanks,
Harriet

John, Bob and Greg,

Do you know if there could be any construction windows during the bird migration period to comply with the Migratory Bird Treaty Act for the Calvert Cliffs project?

Thank you,
