The design, engineering and other information contained in this document have been prepared by or on behalf of AREVA NP Inc., an AREVA and Siemens company, in connection with its request to the U.S. Nuclear Regulatory Commission for a review of the U.S. EPR nuclear power plant design. No use of or right to copy any of this information, other than by the NRC and its contractors in support of AREVA NP's review, is authorized.

The information provided in this document is a subset of a much larger set of know-how, technology and intellectual property pertaining to an evolutionary pressurized water reactor designed by AREVA NP and referred to as the U.S. EPR. Without access and a grant of rights to that larger set of know-how, technology and intellectual property rights, this document is not practically or rightfully usable by others, except by the NRC as set forth in the previous paragraph.
