The matrix will be coming under separate cover and is password protected. As for the MOU, the meeting last week was postponed until mid June. However, Dave Adkins did promise to send us a list of all the items that they believed needed to be resolved in the MOU. This information will be helpful to us. Thanks.

**Subject:** Security Questions

Dave,

My colleagues in Security have asked me to pass along a couple of questions to you: First, what is the status of the NRC-DOE MOU on safeguards and security? Second, they are asking about the Nuclear Material categorization matrix.

Please let me know if you have information in response to these requests.

Thanks,

Noel Simpson
