Rocky,

Could you pass the following information to Ed Fuller. The MACCS2 input and output files were transmitted to the NRC on July 2, 2008, ADAMS ML081900569 or ML081970465.

Could you pass the following to Marie Pohida. The truck mounted fire pump connection for ACIWA is shown on P&ID 5.4-10, Sheet 7 (RHR system) and is discussed in Chapter 5.4.7, RHR System.

Thanks
