The Honorable Gregory B. Jaczko, Chairman
United States Nuclear Regulatory Commission
Washington, DC 20555-0001
FREEDOM OF INFORMATION ACT REQUEST

Dear Chairman Jaczko:

I hereby request copies of documents, correspondence, memoranda, and the like containing, explaining, amplifying, and/or complementing the following information:

An environmental impact statement submitted to the Commission by General Electric/Hitachi Global Laser Enrichment as part of their, or a functionally and commercially equivalent enterprise's, application for licenses to build and operate facilities to develop and commercialize Silex's advanced laser-based uranium enrichment technology.

In order to determine my status about the applicability of fees, if any, please consider that I am an individual seeking information for personal, rather than commercial, use.

I request a waiver of any and all fees for this request. Disclosure of the requested information is in the public interest. It will contribute significantly to the public understanding of operations and activities of government, and is not primarily in my commercial interest. The requested information will be disseminated to the news media for the benefit of the public.

Please contact me at or at my home office address below to discuss any aspect of this request. Thank you for your consideration.

Sincerely,

Kenneth Fox
