Re: US NRC License No. 29-12783-01; Docket No. 03005422

Dear Mr. Lawyer:

This serves as a formal application to request an amendment to the above referenced US Nuclear regulation Commission Materials License. Effective immediately, Leong Ying, Ph.D, is to be removed from the license as RSO, as he is no longer an employee of Princeton Gamma-Tech Instruments, Inc. Princeton Gamma-Tech Instruments, inc. would like to name Kevin Kerod as "Radiation Safety Officer" Mr. Kerod's credentials are enclosed for your review.

Specifically Section 11. should replace Leong Ying's name with Kevin Kerod.

We also wish to amend Section 12 to delete David Carpenter and Leong Ying and add Kevin Kerod and David Wismer .

Should you have any questions or require any additional information regarding this requested amendment, please contact me via email at rbrenna@pgt.com or at 609-924-7310 ext. 261.

Thank you for your attention and assistance with this request.

Sincerely,

PRINCETON GAMMA-TECH INSTRUMENTS, INC.

Robert Brenna
Vice President of Operations
