**GENERAL SUBJECT MATTER TO BE CONSIDERED:** Administrative Law Judge J. Lawrence Johnston will conduct a hearing to consider the environmental effects and any other appropriate matters regarding whether to approve the site certification of the proposed Progress Energy Florida, Levy

Nuclear Plant Units 1 and 2, application for site certification number PA08-51, DOAH Case Number 08-2727EPP, DEP Office of General Counsel Case Number 08-1621, pursuant to the Florida Electrical Power Plant Siting Act, Sections 403.501-.518, Florida Statutes. Judge J. Lawrence Johnston will prepare a Recommended Order for submission to and final action by the Governor and Cabinet acting as the Siting Board. Pursuant to Section 403.508(3), F.S., parties to the proceeding shall include the applicant, the Public Service Commission, the Department of Community Affairs, the Fish and Wildlife Conservation Commission, the water management district, the Department of Environmental Protection, the regional planning council, the local government, and the Department of Transportation. Any party listed in Section 403.508(3)(a), F.S., other than the Department of Environmental Protection or the applicant may waive its right to participate in these proceedings if such party fails to file a notice of its intent to be a party on or before the 90th day prior to the certification hearing. In addition, notwithstanding the provisions of Chapter 120, F.S., upon the filing with the administrative law judge of a notice of intent to be a party no later than 75 days after the application is filed, the following shall also be parties to the proceeding: any agency not listed in Section 403.508(3)(a), F.S., as to matters within its jurisdiction; any domestic nonprofit corporation or association formed, in whole or in part, to promote conservation or natural beauty, to protect the environment, personal health, or other biological values; to preserve historical sites; to promote consumer interests; to represent labor, commercial, or industrial groups; or to promote comprehensive planning or orderly development of the area in which the proposed electrical power plant is to be located. Other parties may include any person, including those persons listed herein who have failed to timely file a notice of intent to be a party, whose substantial interests are affected and being determined by the proceeding and who timely file a motion to intervene pursuant to Chapter 120, F.S., and applicable rules. Intervention pursuant to this paragraph may be granted at the discretion of the designated administrative law judge and upon such conditions as he or she may prescribe any time prior to 30 days before the commencement of the certification hearing. Motions to intervene must be filed (received) with Administrative Law Judge J. Lawrence Johnston, Division of Administrative Hearings, The DeSoto Building, 1230 Apalachee Parkway, Tallahassee, Florida 32399-1550, at least 30 days prior to commencement of the certification hearing. Any agency, including those whose properties or works are being affected pursuant to Section 403.509(4), F.S., shall be made a party upon the request of the department or the applicant. The certification hearing may be cancelled in accordance with Section 403.508(6)(a), F.S.; “No earlier than 29 days prior to the conduct of the certification hearing, the department or the applicant may request that the administrative law judge cancel the certification hearing and relinquish jurisdiction to the department if all parties to the

proceeding stipulate that there are no disputed issues of fact or law to be raised at the certification hearing, and if sufficient time remains for the applicant and the department to publish public notices of the cancellation of the hearing at least 3 days prior to the scheduled date of the hearing.”

1. The Florida Public Service Commission (the "Commission") is conducting a public hearing on the application of Progress Energy Florida, Inc. ("Progress Energy") to construct and operate an electrical power plant on a site to be located in Levy County, Florida, and associated facilities to be located in Levy, Citrus, Marion, Sumter, Lake, Hernando, Pinellas, Hillsborough and Polk Counties, Florida. The project is known as the Progress Energy Florida Levy Nuclear Project ("Project").

2. The Project is a proposed nuclear power plant with a capacity of 1,100 megawatts. The Project is located on a site in Levy County, Florida, which is approximately 10 miles north of the city of The Villages. The Project is owned and operated by Progress Energy Florida, Inc.

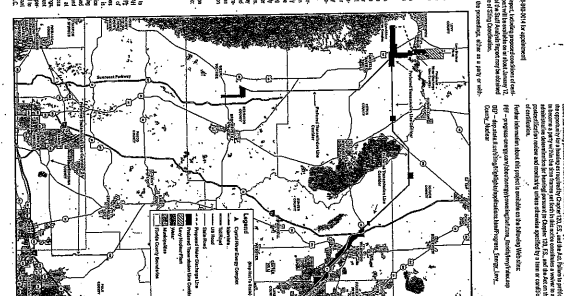

3. The Project is subject to the Florida Nuclear Safety Act of 1974, which requires the Commission to conduct a public hearing on the application. The Commission is required to consider the safety, health, and environmental impacts of the Project, as well as the economic benefits of the Project to the State of Florida.

4. The Commission is conducting a public hearing on the application on December 18, 2008, at 10:00 a.m. The hearing will be held at the Progress Energy Florida Levy Nuclear Project site. The hearing is open to the public, and anyone interested in the Project may attend the hearing and provide testimony.

5. The Commission is also conducting a certification hearing on the application. The certification hearing is a hearing in which the Commission will certify the Project as a public utility. The certification hearing is also open to the public, and anyone interested in the Project may attend the hearing and provide testimony.

6. The Commission is required to issue a decision on the application by December 22, 2008. The Commission's decision will be subject to judicial review.
