**RE: Docket No. 030-35255
Control No. 127402**

Dear Ms. Beardsley:

In response to your letter of November 5, 1999, we submit the following:

1. We confirm that our proposed location of use is not a location of use for any other active NRC license.
2. Records of personnel training, including the date and duration of training, topics covered, name(s) of the individual(s) providing the training and the names of attendees, will be maintained.
3. In order to assure compliance with dose limits to members of the public, we will establish a trigger limit of 0.05 mrem per hour.

Thank you for your timely response to our application.

Sincerely,

Michael Aaron, D.O., FACC
