Sharon,

I need you help please. Attached is an updated service list for Fermi 3. However, I thought we no longer sent paper copies and only electronic copies. Do we need to get emails for all these folks?? How does this work in our new generation of processing RAIs?

Mark

Mark/Jerry:

Attached is an updated Service List for Fermi 3 correspondence. I had originally provided it to Chandu last August at his request.

The updated version provides updated addresses for those people at the DTE headquarters (i.e., the new address is One Energy Plaza vs. 2000 2nd Avenue in Detroit) and the addition of LaShawn Green on the cc list.

Please use this list for all correspondence concerning Fermi 3.
