I happy, I interjected comments - they look like they are auto in blue.

try this for countersize

Try this on for size:

2. NRC Unresolved Item

We need PN statement on scope and results wrt drywell CLB and acceptance criteria.

Based on a review of the technical information, the NRC staff determined AmerGen has provided an adequate basis to conclude the drywell primary containment will remain operable during the period until the next scheduled examination, in the 2012 refueling outage.
