I think we owe it to both ourselves and Darrell to ask him what he thinks/wants. I only forwarded the e-mail as a tickler, for you to remember.

you don't sound convinced - go home for now and try to enjoy the weekend except when you are working.

We can revisit the PDR issue on Monday

I will be working on the cover letter over the weekend - there are a lot of strange statements in it that to my surprise, legal agreed to - it is my responsibility, then again I appreciate staff work to create, it is easier to review.

good catch to remember to put this in the background as it goes around.

I see no reason to put it in the pdr - I will use it to ensure cover letter covers the matters below.

I can stand corrected by Darrell.

Rich -- Please review this e-mail with Darrell, and determine whether it goes into the ADAMS package for the report and, if so, will it be coded as a PUBLIC document.
