Nuclear Regulatory Commissioners

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Dear Commissioners,

I am writing to encourage the NRC to take steps to increase the security and safety of nuclear waste stored at civilian nuclear reactor sites, which remains unacceptably vulnerable to a terrorist attack or accident. Actually, an even better idea would be to decommission all nuclear power plants so that there is never a problem with security or storage problems. Nuclear has never been safe or a good idea. The sooner you come to this realization, the better for the world and all those that live in it!!

Sincerely,

Ms. Carol Wagner
