Subject: NYS DOH Fingerprinting regulation - Final Update
Attachments: 08-15.doc

The Commissioner of Health approved the notice of adoption for the fingerprinting regulation and it was filed it with the Department of State on June 2, 2009. The regulation became effective upon publication in the State Register on 6/17/09. The emergency fingerprinting regulation expired on 6/16/09. Therefore there was no gap in the regulatory requirements.

Here is a copy of the final regulation.
