Dear Dr. Lyons:

It is my pleasure to inform you that the Board of Directors has elected you to Fellow Membership Grade of the American Nuclear Society (ANS). Congratulations!

Your election to the rank of Fellow within the Society recognizes the contributions you have made to the advancement of nuclear science and technology through the years. It is the Society's highest membership grade, to which a select group of your professional associates have been elected. Your selection comes as a result of nomination by your peers, careful review by the Honors and Awards Committee, and election by the Society's Board of Directors.

All newly elected Fellows will be recognized and honored at the Awards Luncheon to be held Tuesday, June 16, 2009, beginning at 11:30 a.m., during the ANS annual meeting at the Hyatt Regency Hotel in Atlanta, Georgia.

Please contact Laurie Barnett at ANS Headquarters by May 1, 2009 and let her know if you will be present at the luncheon. Laurie can be reached by phone (708) 579-8202, or email at <lbarnett@ans.org>. Please also send a current 8"x10" photo by May 1, 2009 to ANS Headquarters, Attn: Honors and Awards.

I look forward to congratulating you personally in Atlanta, Georgia.

Sincerely,

A handwritten signature in cursive script that reads "W E Burchill".
