Subject: RE: Meal limitations: Gluten Intolerance

There is one person that has a Gluten Intolerance problem.
If a choice of a few gluten-free foods can be made available, that would be helpful.
My understanding is that gluten is mostly present in grains such as wheat, rye, barley that are widely added ingredients to processed foods.

Thanks.....

Ay one time you mentioned there would be some from your team with dietary restrictions. Do you have details?
We are l'm the process of making food arrangements.

I saw Surinder yesterday, so he may have already mentioned this to you.
