Dear Sirs:

Our letter of May 12, 2009, requested Enforcement Guidance/Discretion via development of an Enforcement Guidance Memorandum (EGM).

At this time, we are requesting to withdraw our request submitted to your office on May 12, 2009. As we have previously stated in discussions with both NMSS and NRC Region II staff, we are progressing with the implementation of our Integrated Improvement Plan (IIP). In the near future we look forward to the opportunity to present the details and status of our IIP to the Region II staff.

Please contact Mr. Michael Greeno at 618-309-5005 to answer questions and to schedule future discussions.

Sincerely,

Mitch Tillman
