

Draeger Safety, Inc., Sugar Land, TX 77478-2847

Date: June 5, 2009

United States Nuclear Regulatory Commission
ATTN: Mr. Richard K Struckmeyer
Licensing Branch
Washington, DC 20555-0001

SUBJECT: REQUEST FOR ADDITIONAL INFORMATION, TERMINATION OF
LICENSE NUMBER 42-23903-01E

Dear Mr. Struckmeyer:

Thanks for your patience. I've reviewed the events that prompted your letter of April 20, 2009 to us requesting additional information. I will give a chronology of these.

April 21, 2008 – Letter sent to NRC from Chris Hickling of Draeger with Inventory Transfer Report for all transfers up to and including the date of the letter. Note: No inventory transfers were found to have taken place after April 21, 2008.

May 8, 2008 – Letter sent to NRC from Victor Hoang of Draeger requesting a transfer of our registration certificate NR-1199-D-101-E to Inactive Status. NRC was notified that Draeger had discontinued its IMS product line, and we would no longer distribute or possess this equipment at this site.

June 17, 2008 – Letter of May 8, 2008 to NRC by Draeger is re-sent.

June 20, 2008 – Letter to Victor Hoang of Draeger by Ujagar S. Bhachu of NRC referencing Victor's letter to NRC of May 8, 2008 and notifying that the certificate had been transferred to inactive status.

July 11, 2008 – Letter from Victor Hoang and Chris Hickling of Draeger to the Texas Department of State Health Services, Radiation Control Program, formally requesting termination of Radioactive Material License L05757.

July 22, 2008 – Letter to Victor Hoang of Draeger from Richard K. Struckmeyer of NRC with Amendment No. 04 to License No. 42-23903-01E reflecting the inactivation of the registration certificate.

July 30, 2008 – TRC Form 12-1 from the State of Texas, Department of State Health Services, whereby Radioactive Material License L05757 is terminated. Signed by Ray Fleming, Chief, Industrial Licensing Program.

March 26, 2009 – Application to NRC from Draeger requesting termination of NRC exempt distribution License No. 42-23903-01E.

April 20, 2009 – Letter to Malcolm Watmough of Draeger by Richard K. Struckmeyer of NRC, referring to application to terminate license and requesting additional information in order to complete a review of such application.

At this point, none of the materials including sealed sources are at this location – they had been returned to Luebeck in 2008. In order to accord with the provisions of Title 10, Code of Federal Regulations, Chapter 32, Section 32.29, we must supply a current inventory transfer report. This letter will accompany a copy of that report. For any further questions I can be reached at (281) 207-1200.

Sincerely,

A handwritten signature in black ink, appearing to read "John Cigan", with a long horizontal flourish extending to the right.

Draeger Contact: John Cigan
Phone: (281) 207-1200

To Whom It May Concern:

The attached Draeger Safety, Inc. Inventory Transfer Report for all transfers up to and including Friday, June 5, 2009. This should be our final report, as we have discontinued all product lines involving radioactive material. By our choice, we are in the termination process involving this license.

Sincerely,

John Cigan
