**African-American Population**

- < 34.6%
- > 34.6%
- County Boundary

**Notes**  
 Population data displayed using US Census Block Groups.  
 Block groups shown on figure represent block groups that are greater than 20% above the state average. The state average for African-American population is 14.6%, therefore the block groups shown exceed the threshold of 34.6% (14.6% + 20%).
