Subject: Additional Calls to prepare for the Environmental Audit

Bruce and Surinder, would it be possible to set up 2 call per week for the next couple of weeks leading up to the week of the audit? We just want to be sure we have everything covered and make the best use of the audit week. Would you mind looking at your calendars and proposing days and times? We will accommodate times that fit your schedule and will send out invitation(s) to get it on all of our calendars.

We might suggest having the lead from PNNL on the call, so that could affect the time of the call.
