Re: License No. 25-29257-01

Dear Ms Browder:

This letter is to confirm our earlier conversation on Thursday, April 9, where I indicated that we have discontinued operations under License No. 25-29257-01 and intend to relinquish that license on the anniversary date of April 16, 2009. An electronic copy has also been sent to your e-mail address.

---

Our last delivery of Tc-99m for scanning purposes was April 29, 2008 and the last delivery for any purpose was on June 6, 2008 when we received 00.534 mCi for use during an attempt to repair our gamma camera. Our last radiation survey was complete on June 8, 2008 and radiation was at baseline at that time.

I realize that I must pay the renewal fee for fiscal year 2009 and have done so as directed.

Thank you for all your help.

Sincerely,

A handwritten signature in black ink, appearing to read 'William Scott Brown'. The signature is fluid and cursive, with a long horizontal stroke at the end.
