Attachments: US-APWR DC RAI 405 COLP 2866.pdf

MHI,

The attachment contains the subject request for additional information (RAI). This RAI was sent to you in draft form. You responded expeditiously to the draft RAI but I inadvertently misplaced your response and I'm late getting this Final RAI to you. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs.

Please submit your RAI response to the NRC Document Control Desk.

Thanks

Jeff Ciocco
