Summary: I contacted Dr. Parikh in regards to the amendment submitted on behalf of the above mentioned licensee. The amendment is requesting to change the RSO and states the proposed RSO is Board Certified but did not submit a copy of the board certification. Also the person listed as the preceptor did not fill out part 3.c on the Form 313 which lists the receptors credentials. Dr. Parikh stated that he would send in the copy of the certification and provide me with the info needed for the preceptor.
