**Subject: Notification of Completion – NIST Plutonium Clean-up**

Dear Mr Whitten:

EnergySolutions, LLC is providing this letter as official notification that we have completed onsite licensed activities at the NIST facility located in Boulder, CO as of April 16<sup>th</sup>, 2009 in association with the plutonium source clean-up. All remaining radioactive waste was been shipped off site on April 13<sup>th</sup> and verbal notification made to the NRC of our completion during the exit interview with Mr. Bob Evans on April 16<sup>th</sup> following the confirmatory surveys as performed by ORISE. The Final Survey Report documenting the project activities performed as well as the as left condition of the facility was issued to NIST on May 27<sup>th</sup>. All surveys as documented in the report demonstrate that no residual activity remained in excess of the approved release criteria.
