Re.: Docket #50-284, Reactor License R-110
SUBJECT: **Change in Reactor Supervisory Position**

Dear Sir/Madam:

Effective June 15, 2010, Mr. Adam Mallicoat has been appointed Reactor Supervisor for the AGN-201 Training Reactor at Idaho State University, under license # R-110. Mr. Mallicoat replaces Interim Reactor Supervisor Mr. Kenyon Hart.

Mr. Mallicoat holds a Senior Reactor Operating License (SOP-70589) for the subject reactor, license R-110.

Sincerely,

Jay F. Kunze, PhE, PE, CHP
Reactor Administrator and Professor
