

**Assured Testing LLC  
Amendment to License**

Br.3

03037970

To Whom It May Concern:

I would like to amend my NRC License # 29-31358-01 in the following manner:

1) I would like to remove the troxler 3400 series gauges (2) from my license and add an additional (2) Instrotek 3500 series gauges in their place. I have not purchased any Troxler 3400 series gauges. I currently have 2 Instrotek 3500 series gauges and would like to purchase 2 more with your approval. I included several gauges on my application because I was unsure to which gauges I would ultimately purchase.

I would like to keep the troxler 4640B series on my license, although I presently do not posses this series of guage

Please let me know if I can provide any additional information.
