Re: Amendments to NRC License No. 29-15459-01

RECEIVED
REQUEST
JUN 29 PM 12:54

To Whom It May Concern:

Please remove the following Authorized User from our NRC license –

Ashraf Youssef, M.D..

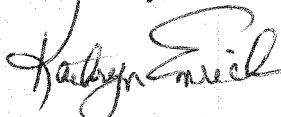

As of June 1, 2009 Dr. Youssef ended his affiliation with our health system, thus we have no Authorized User for the HDR unit. We have suspended our HDR program until further notice and will not restart the HDR program until a New Authorized User is approved by the NRC and added to our NRC license.

Also, please remove Brian Hasson, Ph.D as an Authorized Medical Physicist. Brian Hasson is no longer providing consulting services to our health system.

In addition, please remove the Sr-90 source from our NRC license as we never obtained the Sr-90 sealed source as a calibration/check source.

If you have any questions in regards to this request please contact our Radiation Oncology Physicist, Kashmiri Chopra at 856-582-3008.

Sincerely,

Kathryn Emrich
Assistant Vice President
