**Subject:** July 16 public meeting planning

All,

NRC is currently planning the public meeting for discussing DCD revision 2 and a DCWG meeting to immediately follow and discuss DCD rev. 2. At this time, the plan is to use the large conference room at MNES in Arlington VA. We have arranged for it from 8:30 a.m. to the end of the day on July 16th. In general, I would say that would mean meeting from 9-12 and 1-4, as necessary. Depending on how long the revision presentation period is, we could create an agenda with presentations in the morning, break for lunch, and have discussions in the afternoon.

MHI/MNES: For the public meeting, do you have an agenda you wish to follow or a timeline which you think it will take to review the changes to the DCD? The agenda we create could be as simple as allowing a set period (2 hrs, 3 hrs, etc.) for MHI to present the changes and another block of time (1 hr) to discuss. Or, we could break it down by chapter or in some other form which makes it easier to present. Please let me know if you have a preference.

MHI/Luminant: Similarly, do you have any preferences on the agenda for the DCWG meeting?

Please respond to Harrison and me. We will issue a meeting notice with agenda by Thursday, July 2nd. Friday, July 3rd is a holiday for NRC. Thank you.

Respectfully,  
Bill
