MEMORANDUM TO: R. W. Borchardt
Executive Director for Operations

FROM: Annette Vietti-Cook, Secretary ***/RA/***

SUBJECT: STAFF REQUIREMENTS - MEETING WITH ADVISORY COMMITTEE ON THE MEDICAL USES OF ISOTOPES (ACMUI), 1:30 P.M., THURSDAY, JUNE 25, 2009, COMMISSIONERS' CONFERENCE ROOM, ONE WHITE FLINT NORTH, ROCKVILLE, MARYLAND (OPEN TO PUBLIC ATTENDANCE)

The Commission was briefed by the Chairman of ACMUI and five members of Committee.

The staff should provide recommendations to the Commission on possible improvements to NRC's process for responding to Department of Transportation's requests for technical recommendations with respect to transportation container designs that are certified by other countries under International Atomic Energy Agency transportation safety transportation containers.

The Commission looks forward to the advice of the ACMUI on recommendations for improvements to the NRC's processes and regulations as an outgrowth of the investigation of the Department of Veterans Affairs medical events. The staff should work with the Committee to provide recommendations to the Commission on any regulatory changes for permanent implant brachytherapy programs.

The ACMUI should continue to raise issues that need attention and provide recommendations on important issues.
