San Juan, P.R. 00920

SAN PATRICIO MRI & CT CENTER, REQUEST FOR AMENDMENT TO LICENSE, CONTROL NO. 142271

143661 ^{RLS} 03037226

On March 30, 2009 we sent an application for an amendment to our NRC license #52-31166-01. With this notice we want to disregard the request for additional radioactive material as expressed in our communication.

Please contact us for any additional information at phone number (787) 620-5757.

Regards,

Carlos Jiménez Marchán, MD
Director, Nuclear Division
San Patricio MRI & CT Center
