UPDATE OF INFORMATION PERTAINING TO FOREIGN INTERESTS

In a letter dated July 15, 2008, the NRC granted a non-possessing facility security clearance at the SECRET – National Security information level for Dominion Energy Kewaunee, Inc. (DEK), Dominion Nuclear Connecticut, Inc. (DNC) and Virginia Electric and Power Company (Dominion). The NRC's July 15, 2008 letter included reporting requirements to be made by written notification within 30 days.¹

On May 31, 2009 and June 1, 2009, personnel changes were made that would affect the information previously provided on the OODEP list for DEK, DNC, and Dominion. Therefore, in accordance with the NRC's July 15, 2008 letter, we are providing the changes in owners, officers, directors and executive personnel in Attachment 1 to this letter. Documentation to support these changes is provided in Attachment 2.

In their previous submittals, DEK, DNC and Dominion submitted the certificates and OODEP lists as proprietary in their entirety. The NRC determined that this information should be withheld from public disclosure as noted by the NRC letter (J. K. Everly, Jr.) to Dominion and DNC dated February 20, 2003. Similarly, the attachments to this letter contain proprietary information. For the reasons previously set forth in the January 14, 2003 (Serial Nos. 02-367A and B18825) 2.790 affidavit and declarations of David A. Christian, President and Chief

¹ Dominion, DEK and DNC provided additional information on changes to Owners, Officers, Directors, and Executive Personnel (OODEP) lists to the NRC on July 29, 2008, August 20, 2008, September 23, 2008 and April 28, 2009 (Serial Nos. 08-0091C, 08-0091D, 08-0091E and 09-219).
