Paul/Joe,

Enclosures 1 (NRC) and 2 (USACE) of the Levy RAI correspondence has been transmitted via fax to 919-546-7209. The letter will be finalized today at which point I will forward an electronic copy of the cover letter and enclosures.

I will send out an agenda and call in information later today for Thursday's teleconference. I recommend having a conference call to specifically discuss the RAIs after you have had an opportunity to review them. Let's talk about this on Thursday.

Doug

Doug:

If you don't mind, when you submit the LNP Environmental RAIs next week, can you please ensure that an electronic copy comes to me AND to Joe Pavletich? Joe's e-mail address is [Joseph.Pavletich@pgnmail.com](mailto:Joseph.Pavletich@pgnmail.com). Since I will be out of the office Monday through Wednesday next week, by including Joe on distribution, he can get it to our staff in my absence.

Thanks,
