DRAFT

The Honorable Jon S. Corzine
Governor
State of New Jersey
Trenton, New Jersey 08625

Dear Governor Corzine:

I am pleased to inform you that the U. S. Nuclear Regulatory Commission (NRC) has approved your request for an Agreement under which the NRC will discontinue and the State of New Jersey will assume regulatory authority over the acquisition, possession, use, transfer, and disposal of certain byproduct material, source material, special nuclear material in quantities not sufficient to form a critical mass, and the land disposal of byproduct material, source material, or special nuclear material waste received from other persons.

We are pleased with your interest in participating in the Agreement State program and look forward to the continued excellent relationship we have enjoyed with the State of New Jersey in the past.

Sincerely,

Gregory B. Jackzo
