Dear Sir or Madam:

Please accept this e-mail as our formal notice of a request for records held by the Nuclear Regulatory Commission pursuant to the Freedom of Information Act. This is being submitted on behalf of Attorney Jeannie Park of our office, Nelson, Levine, de Luca & Horst, LLC, 518 Township Line Road, Suite 300, Blue Bell, PA 19422 - (215) 385-5118 or jpark@nldhlaw.com. This request is being entered in furtherance of a matter we are currently handling at our law firm.

We are seeking to obtain:

Any and all non-publicly available documents pertaining to:

- **the Nuclear Metals Superfund site, based out of Concord, Massachusetts;**
- **The placement of this facility on the National Priorities List/Superfund; and**
- **Any actions that have occurred since the time of that placement.**

We have been informed through Adam Glazer (Technical Librarian in the Public Document Room for the Nuclear Regulatory Commission) that these items may be available for review, but would have to be requested through the FOIA Request procedure.

Please be advised that we have currently scheduled to have persons from our office travel to your facility in Maryland for the days of Thursday, July 23, 2009 and Friday, July 24, 2009 to review records pertaining to this facility. Would you kindly make these materials available to them at that time?

Additionally, if there are any costs associated with the retrieval and copying of this information, please advise us so that proper payment can be made.

Should you have any questions regarding these requests, please do not hesitate to contact Attorney Park (noted above) or myself.

Thank you for your time.

Very truly yours,

Scott Branson, Paralegal
