Dear Congressman Moore:

Thank you for your recent letter inviting the U.S. Nuclear Regulatory Commission (NRC) to participate in the procurement conference at Johnson County Community College.

The NRC shares your commitment to support small businesses, to include those small businesses owned by the disadvantaged, women, veterans, service-disabled veterans and those located in Historically Underutilized Business Zones (HUBZONE). However, we regret that the NRC will not be able to participate in the procurement conference due to a scheduling conflict.

Thank you again for the invitation. We send you our best wishes for a most successful event and hope to participate in any future events.

Sincerely,

/RA/
