Re: License #32-25565-02
Expiration Date: March 31, 2016
Docket #030-37181

Dear Sir:

My letter dated June 24, 2009 had the wrong license number on it. It showed #32-25565-01 and it should have been 32-25565-02. Rose Brothers Paving Company, Inc. would still like to permanently discontinue the above referenced license number as soon as possible.

The State of Virginia is now a self regulatory state and our USNRC license is not needed.

If you have any questions, please contact my office.

Sincerely,

W. Reid Clarke
Radiation Safety Officer
