Diane:

Attached is a copy of the Draft request for additional information (RAI) for Generic Letter 2004-02 submittal. We intend to arrange a conference call (to be treated as public meeting) to discuss each individual RAI to make sure you understand staff expectations. However, based on your request, we may arrange a short conference call before the conference call/public meeting to discuss any specific questions by your staff to get ready for the detailed discussion. Please review the RAIs and let me know if I need to arrange a short conference call latest by 6/30/09.

Thanks.
