Re: Union Electric Company d/b/a AmerenUE
(Callaway Power Plant, Unit 2) (Combined License)
Docket No. 52-037-COL

Dear Judges:

The Atomic Safety and Licensing Board's July 13, 2009 Order (Postponing Date for Providing Electronic Copy of Application) extended the date for providing electronic copies of the application to July 22, 2009, pending the Board's resolution of the July 10, 2009 Joint Motion. The Board's Memorandum and Order (Postponing Initial Prehearing Conference and Setting Schedule for Submission of Settlement Agreement), dated July 16, 2009, postponed the July 28 initial prehearing conference but did not explicitly state whether the Board still wanted to receive the electronic copies of the application by July 22. AmerenUE assumes, given the postponement of

the initial prehearing conference, that the Board does not wish to receive the electronic copies at the present time. If this assumption is incorrect, please let the undersigned know.

Thank you.

Sincerely,

/signed electronically by Jay E. Silberg/

Jay E. Silberg
Counsel for Union Electric Company
d/b/a AmerenUE
