Subject: FW: The Emails For the Files

Mark,
Please see see Ron's response below. DTE needs to allow access to the stwave files again.
Perhaps there is a contact at DTE that Ron can speak to directly if that would be easier.
Jill

Jill:

I was able to download the STWAVE I/O zip file. However, I was unable to un-zip the folder in my computer. I asked our computer guy to un-zip it in a file server. The un-zip killed the server! Can you ask DTE to send STWAVE files in other way?

We have no problem with the ACES file.

Ron
