Randy,

In Detroit Edison's RAI response letter dated June 19, 2009, several documents were identified as ones to be placed in the reading rooms by June 26, 2009. These include documents identified in Attachments 3, 8, 9, 18, and 19-22. Are all of these documents currently available in all the reading rooms? If not, then which ones are not yet available and when will they be available?

Also, what is the status of the web portal you told me about last week?

Thanks,  
Steve Lemont
