I have scheduled weekly conference calls per the attached file. We can mutually agree on canceling any of the calls, based on topics to be discussed. I will arrange for a bridgeline and email the number and access code about a week in advance, along with an agenda. I have tried to stay with Tuesday's at 10:00 am, but may be some weeks when we need to shift the day or time.

Schedule of Conference Calls with DTE

The following conference calls have been scheduled for discussions with Detroit Edison (DTE) regarding the Fermi 3 application. If you have RAIs, audits or other COLA related topics for discussion, please forward that information to Jerry Hale (jerry.hale@nrc.gov) and Mark Tonacci (mark.tonacci@nrc.gov) at least one week prior to the conference call for the agenda.

The updated list of conference calls will be posted on the Fermi 3 sharepoint site.
