My father forced me to take touch typing in High School summer school. Man I was pissed being stuck in a class full of "looser" girls in summer.

I have repeatedly thanked him since.

Rich is not going to sort this out with Darrell ... he is going to drag you, and me, into his office at 2:00 to discuss this. I'm trying to cut him off.

I briefly skimmed the BC input [cover letter, exec summary, etc.]

my view is >> let Rich sort this out with Darrell. In the mean time, I've got other things to work on!

I still don't know what to do with summary page.

I like cover letter as my rec. to Darrell, he should sign in light of special nature of this beast.

Section 1 upfront for your consideration.

would appreciate if you just incorporate and we discuss as a group

200pm tomorrow till COB -

get it ready for external branch consumption late tuesday or early Wednesday morning.
