All,

We had a follow-up phone call with Dr. Lipoti at ~4:30 pm today. It lasted for about an hour. She was the only state representative on the phone. Present on the call were myself, Richard Conte, John Richmond (team leader for the license renewal commitments inspection) and Nancy McNamara (Region I SLO). Dr. Lipoti reiterated her concerns about the issues Donnie mentioned below.

Dr. Lipoti acknowledged that she did not have any immediate safety concerns resulting from the conditions she noted during the call.
