Subject: RE: Advance Copy of RAIs For the Revisions to the Physical Security Plan

Chris,

I would like to request a 10 day extension for our response to these RAIs. The reasons are two-fold.

1) We would like to have a call between HQ and Region Staff on the one topic you and I have previously discussed. I would solicit your help in setting that up.

2) The other is that Phil Stroud's replacement (the new security manager) starts next week. He has a weeklong orientation to go through after arrival and then we have to confirm his status (clearance etc.). I would like for him to participate in the resolution of this particular RAI.

The other RAIs are not a problem and we will adequately respond.

Please advise if that will be acceptable.

Gerry
